1. Executive Summary

An **interim version** of the TIMESPAN website went online on 1st April 2021. The **full version** went online on 31st July 2021. The website can be found at www.timespan.eu. In the following report you can find details on the website.

2. Deliverable report

The website gives an overview on the project to the widest possible audience, encompassing not only academic group, health-care professionals, but also patients and patient care/support organizations (Figure 01). The website will be regularly updated with news, reports of events, copies of consortium publications and a clinically orientated support information service for patients and their care-givers. The availability of this website will be advertised via CORDIS, the community research and development information service, and during professional conferences.

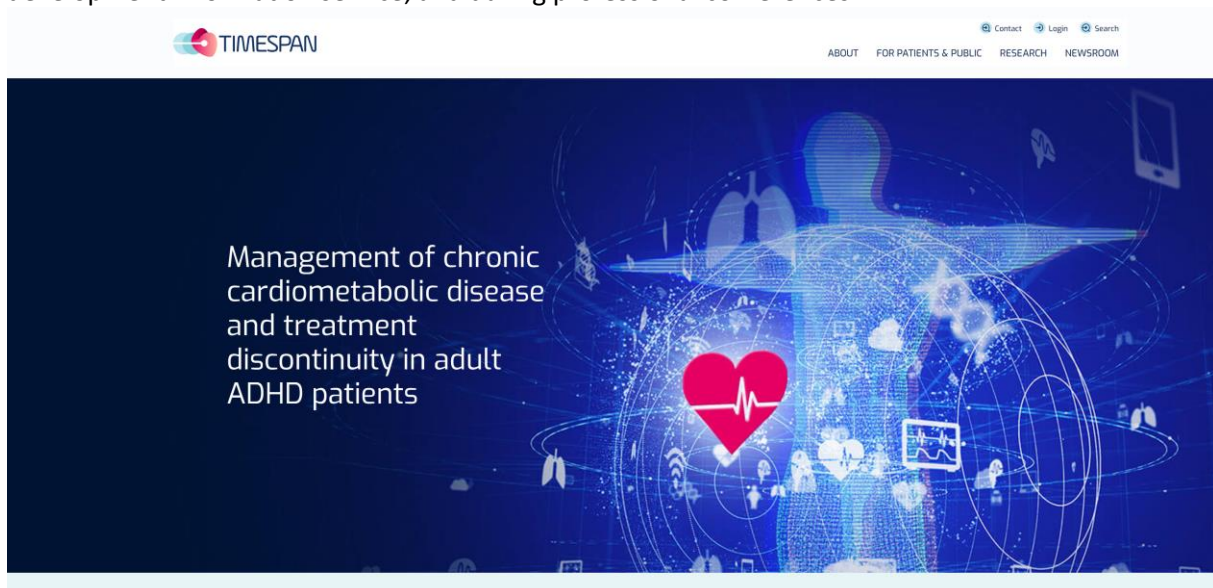

Figure 01: Homepage of the TIMESPAN website

The “About” section offers information on the vision and aims of the TIMESPAN project. In addition, all consortium partners are presented here, as well as the project management team, the advisory board and the different work packages (Figure 02)

Figure 02: TIMESPAN website and the vision of the project

The website has a section for patients and the general public (“For patients & public”) which explains important facts about our ART-CARMA study, the clinical trial and the project. Further it provides links and material for further reading (Figure 03).

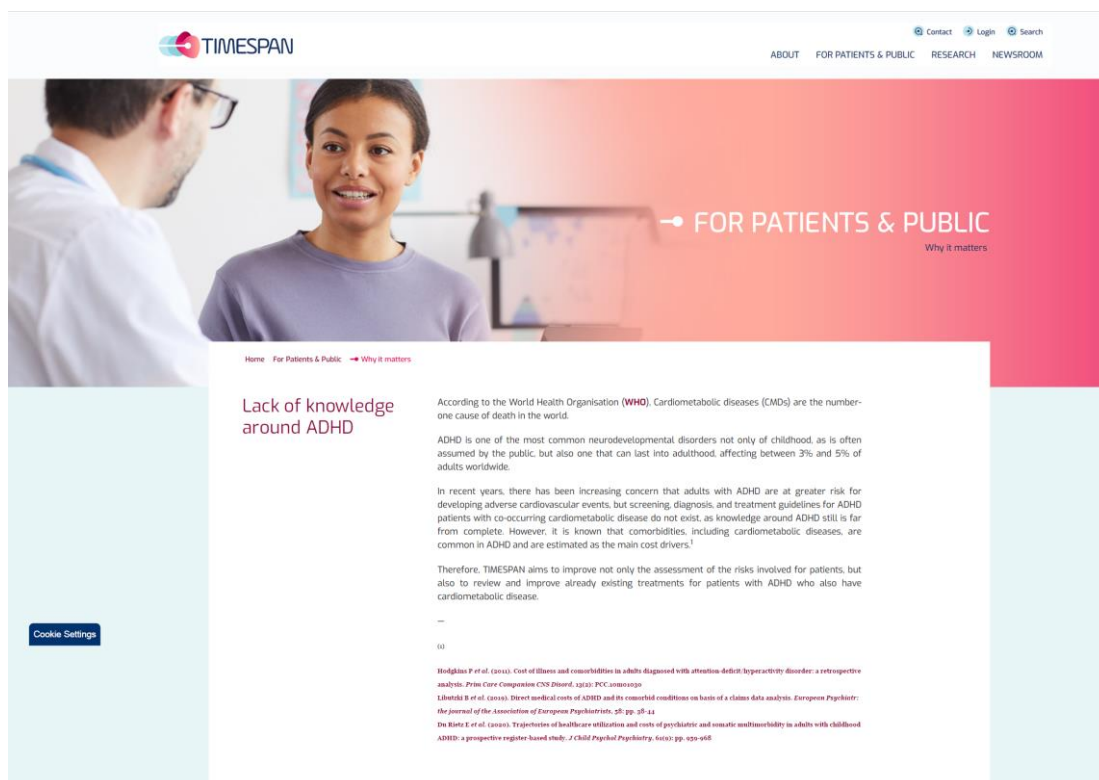

Figure 03: TIMESPAN website for patients and general public

The section “**Research**” explains the scientific background of the project in more detail and offers links to scientific publications (Figure 04).

Figure 04: TIMESPAN website part for scientists and interested laypersons

In the “**Newsroom**” part of the website, visitors will find information on recent (project) developments, press coverage, meetings and conferences and a subscriber to the newsletter (Figure 05).

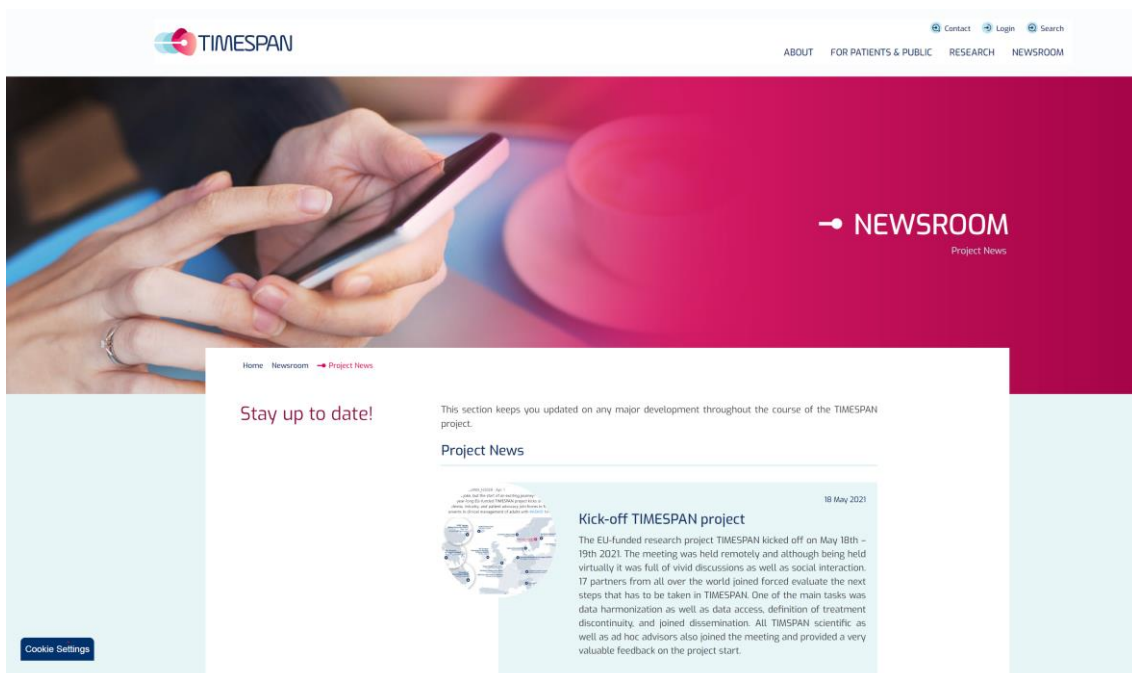

Figure 05: TIMESPAN website part on Project News

The website provides **contact details** and a **contact form** for anyone interested in the project to connect with the relevant expert (Figure 06).

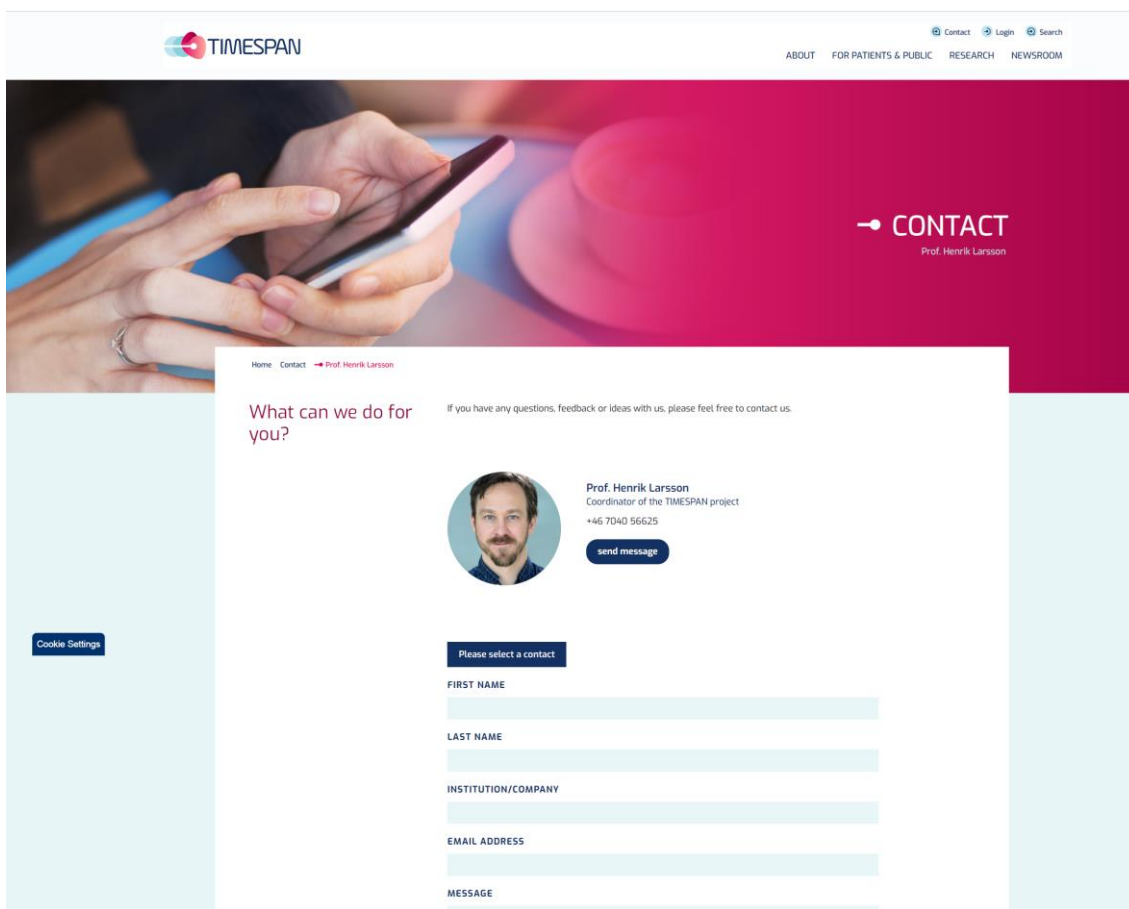

Figure 06: TIMESPAN website contact form

Members of TIMESPAN can directly connect to the **intranet** with their individual login and password using the login interface (Figure 07)
